

2011 Walleye Fishing Regulations Upper and Lower Red Lake and Tributaries

Season:

Saturday May 7th, 2011 to Ice up

Bag Limit:

Personal Use=10 walleyes a day, 30 walleyes in possession.

Commercial=100 walleyes a day, must be turned into the Fisheries.

Size Limit:

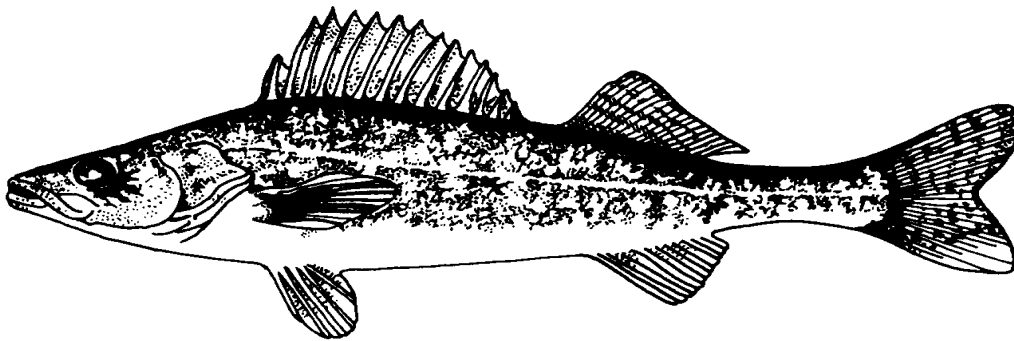

Personal Use=Walleye smaller than 20 inches may be kept, walleyes between 20 and 28 inches must be released, and only one walleye over 28 inches may be kept daily.

Commercial=Only walleyes between 13 and 20 inches will be accepted at the Fisheries.

*There is no size limit on walleyes caught below the Red Lake Dam in the Red Lake River west to the reservation boundary, but bag limits still apply.

Additional Regulations:

- Only Red Lake Band members may fish on the reservation waters of Upper and Lower Red Lake and its tributaries.
- Hook and Line is the only legal way of fishing.
- Fish must be transported to a residence before they are filleted.
- One proper fitting life vest is required for each person in any type of watercraft, including but not limited to boats, canoes, inflatables, jet skis and kayaks.

*Protect, Respect and Enjoy the Red Lake Walleye
Into the Future!*
